

## **International Conference on Biomass Conversion and Renewable Materials 2019 ( ICBCRM'19)**

**Oct. 12-15, 2019, Guilin, China**

### **Instructions for Poster Contributions**

The dimensions of the ICBCRM'19 posters should be 0.84 m (33 inch) x 1.20 m (47 inch) (width x height), equivalent to A0 size. Poster presenters are kindly requested to follow these instructions:

- Authors are kindly requested to attach their posters on the predetermined poster board which will be numbered according to the code number of their poster. (What noteworthy is that the code number of the poster (ICBCRM-###), which will be given and deliver to authors shortly, goes different from the abstract number.
- The code number of each poster will be placed on each poster board by the Organizer.
- Authors are kindly requested to prepare the full title of their poster paper, the names of authors and co-authors, as well as the institutions they work for.

All material needed for attaching posters will be provided to authors by the Congress Secretariat which will be operated at the Congress Venue.
